NEW ONLINE PRESENCE FOR LOCAL DISTRIBUTOR

Published on: 12 September, 2014

Australian-owned orthopaedic distributor, Surgical Specialties is pleased to announce the launch of their new website (www.surgicalspecialties.com.au).

In a new user-friendly interface, the new site provides content regarding the company, upcoming Medical Education events and Scientific Meeting attendance.

The site also offers orthopaedic surgeons and healthcare professional's detailed information regarding the diverse range of products available from Surgical Specialties including:

- Product brochures
- Surgical techniques
- Video animations
- Links to share articles on social media

Future features in still in development include a Medical Education portal that will provide access to webinars, surgical technique videos and even online streaming of surgical procedures.

You can also visit to the Company Newsroom, which will be used to channel information from global sources, along with updates of what Surgical Specialties are up to in the community.
